

 <p>Describe <i>la Avenida Real</i>. What buildings are found on this street? Record your answers into Audacity and save as an mp3 file. Refer to the attached sheet on Audacity if you forget how to save as an mp3.</p>	 <p>Compare <i>la plaza</i> to <i>el acuario</i>. Consider the location of the two buildings, streets they have in common, number of floors, shape, and activities/people who would go to these places. Using http://www.readwritethink.org/files/resources/interactives/venn/, make an online Venn diagram comparing the two locations. See my example on your worksheet.</p>
 <p>In your hometown, how many of the following landmarks do you have in common with this map? List them and make a Power Point of at least 3 landmarks in your town using actual images from Google Images.</p>	 <p>Identify your favorite place on the map, and in a Word document, explain why it is your favorite.</p>
 <p>Imagine you are at el restaurante Tres Hombres and your friend just parked in the estacionamiento. Give him/her directions on how to get to the restaurant by walking. Explain what turns to make, what street to take, and what landmarks he/she will pass. Using your cell phone, call my school voicemail, and as your message, speak the directions. (267) 893-3000 EXT 3079.</p>	 <p>The owners of el restaurante Tres Hombres do not like el quiosco in front of them because it is taking away their business. Where should el quiosco go instead and why? Send me an e-mail (agever@cbsd.org) with your reasoning.</p>

Think Dot below-level learners

Nombre: _____

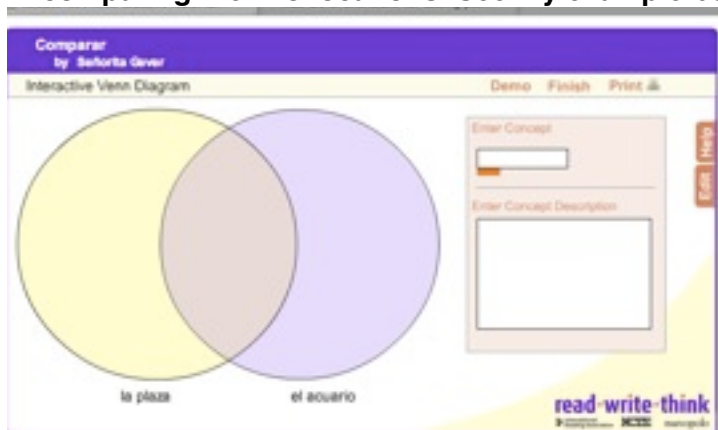

Directions: Use the following map and worksheet to help you to answer the Think Dot questions.

1. Describe *la Avenida Real*. What buildings are found on this street? Record your answers into Audacity and save as an mp3 file. Refer to the attached paper on how to save a file to Audacity in case you forgot.

Buildings on the street: el h_____, el s_____, el
q_____, la c_____, la p_____.

2. Compare *la plaza* to *el acuario*. Consider the location of the two buildings, streets they have in common, number of floors, shape, and activities/people who would go to these places. Using <http://www.readwritethink.org/files/resources/interactives/venn/>, make an online Venn diagram comparing the two locations. See my example below.

Title: Comparar

By: Your name

Label circle 1: La plaza

Label circle 2: El acuario

Think Dot below-level learners

3. In your hometown, how many of the following landmarks do you have in common with this map? List them and make a Power Point of at least 3 landmarks in your town using actual images from Google Images.

Brainstorm ideas of places here:

1. _____
2. _____
3. _____

List which places you successfully found on Google Images.

1. _____
2. _____
3. _____

4. Identify your favorite place on the map, and in a Word document, explain why it is your favorite

Landmark you chose: _____

Es mi lugar favorite porque (*It is my favorite place because*) _____

5. Imagine you are at *el restaurante Tres Hombres* and your friend just parked in the *estacionamiento*. Give him/her directions on how to get to the restaurant by walking. Explain what turns to make, what street to take, and what landmarks he/she will pass. Using your cell phone, call my school voicemail, and as your message, speak the directions. (267) 893-3000 EXT 3079.

Re-write the following directions in the correct order. Then, record what you wrote into my voicemail.

Doble a la derecha
Toma la calle Avenida Real
Pasa por la catedral
Sigue derecho
Hasta el restaurante Tres Hombres a la izquierda
Toma la calle doce
Dobla a la izquierda
A la izquierda
Pasa por el semaforo

Think Dot below-level learners

Re-write here:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____

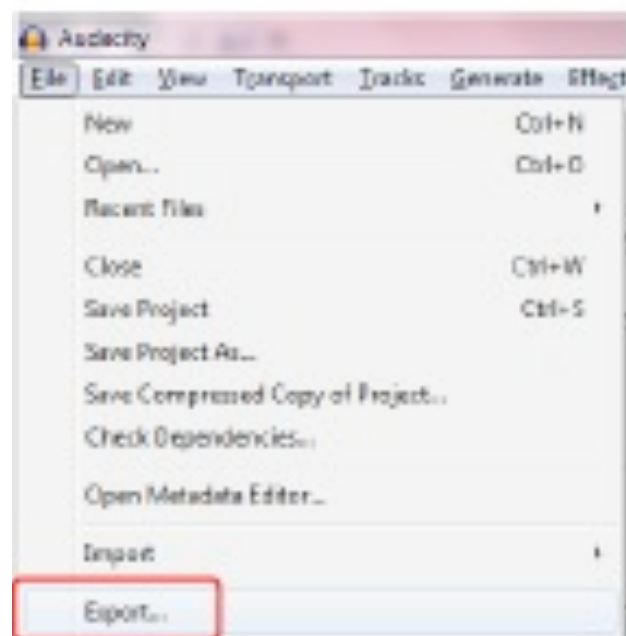

6. The owners of el restaurante Tres Hombres do not like el quiosco in front of them because it is taking away their business. Where should el quiosco go instead and why? Send me an e-mail (agever@cbsd.org) with your reasoning.

El quiosco debe estar en *(the kisok should be)* _____ porque *(because)*

Think Dot below-level learners

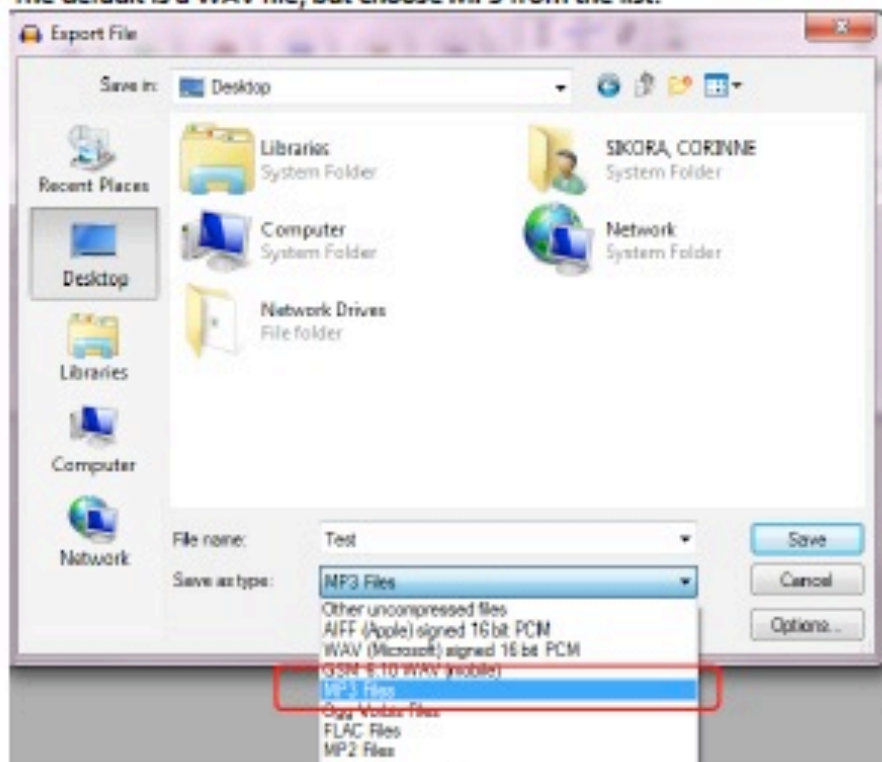

Saving as an MP3 file looks a bit different, but is really the same process
Choose Export.

Think Dot below-level learners

The default is a WAV file, but choose MP3 from the list.

Don't worry about filling this in. Click OK.
